

These comments are regarding K-LOVE radio stations:

1. K-Love serves me by providing with positive, encouraging music and broadcasts. I find it very refreshing in the midst of most other radio programming.
2. If K-Love was displaced by an LPFM broadcaster, I believe our community, which numbers in the millions, would lose the positive influence of K-Love. The effect would be a loss of a great radio station, which provides a unique, refreshing station to our city.
3. The public needs to have a radio station that is clean, wholesome, and encouraging. Since the public is constantly bombarded by the opposite from other stations, it is in the public interest to have a station which provides these missing elements.

Thank you for you time.
